

October 24, 2024

*This document contains Baxter Product Code and Lot information and the associated Dear Healthcare Provider letters for products that have received temporary importation authorization from FDA and are now available in the U.S. market. This document will be updated as new Product Codes/Lots become available.*

*To search the contents of this document, select “Ctrl + F” and enter the desired Lot Number or Product Code.*

**Please Note:**

- These products are only available directly from Baxter.
- Baxter will communicate distribution plans for these products with customers, including direct communication to support any associated set-up and training needs.
- This resource is not intended to provide updates to allocation levels. Current allocation levels communicated by Baxter contemplate the projected future availability of the products listed on this table.
- Conservation of products in shortage remains essential during this time.
