This document contains the full list of Baxter Product Codes, Lot/Serial Numbers, Labeled Expiration Dates, and Extended Expiration Dates that equal to 24 months from date of manufacture.

Note: The Extended Expiration Date applies only to Product Codes manufactured prior to September 30, 2024.

Applicable to product that is used immediately upon removal from the over pouch.

To search the contents of this document, select "Ctrl + F", and then type in the desired Lot/Serial Number into the search box and hit "enter".
