This report contains Baxter product code and lot information and the associated **Dear Healthcare Provider letters** for products that have received temporary importation authorization from FDA as they become available in the U.S. market.

To search the contents of this document, select “Ctrl + F” and enter the desired Lot Number or Product Code.

Please Note:

- The product codes and lot numbers that appear on this document are the **only** products that are authorized for both importation and distribution by Baxter.
- This report is intended as the resource to confirm product codes and lot numbers that have been authorized for import and distribution by the FDA. It will be updated as new Product Codes/Lots become available in the U.S. for distribution.
- These product codes are mainly available directly from Baxter, but there are some product codes that are available through your primary distributor. Please work with your Baxter representative to understand how specific codes will be sold.
- This resource is not intended to provide updates to allocation levels. Current allocation levels communicated by Baxter contemplate the projected future availability of the products listed on this table.
- Conservation of products in shortage remains essential during this time.
